**BABY STEPS FOR
A GIANT STRIDE!**

DISCOVER THE TRUE POTENTIAL OF PRE-SCHOOL BUSINESS WITH EUROKIDS

A Pre-School is the child's first out of home experience. Since 2001, EuroKids has taken special care to provide a safe, nurturing & engaging environment that makes children feel at home. In addition, we have provided franchise entrepreneur opportunities to over 1000 individuals to drive successful Pre-School venture.

#AHappyBeginning

EuroKids offers age-appropriate curriculum focused on developing Executive Functional Skills that helps children learn, play and engage in a fun-based environment.

Our Pre-School Programs:

PlayGroup
1.8 to 3 years

Nursery
2.5 to 4 years

EuroJunior
3.5 to 5 years

EuroSenior
4.5 to 6 years

Vacation Program: EuroKids organises summer and winter camps to help enhance a child's analysing, cognitive, social and language skills. Activities in these clubs include storytelling sessions, creative writing sessions, puzzle solving and more, depending upon the age group of the child. This also brings additional opportunity to enhance business output.

OUR CURRICULUM

'Eunoia' is inspired from our 'Child First' ideology where the innocent and beautiful mind of a child is the origin of everything we do. Our activities and initiatives are crafted to nurture the mind of a child. When the mind is in harmony, it can explore the world around and develop different dimensions through it.

The three-pronged approach has been developed which are the pillars for Eunoia

Mindful Learning | **Spaced Learning** | **Blended Learning**

MIND

EUPHONICS

This language based program provides a strong vocabulary foundation using letters and sounds of the alphabet.

MathLab

Understanding mathematic concepts with hands-on activities, concrete objects and repeated experience is the objective of this program.

SCIENTIFIC SPARK

This program focuses on understanding the scientific world based on observation, investigation, prediction, evidence and reasoning.

BODY

EURCFIT

A fitness program designed by certified trainers to develop your child's motor skills, muscle strength, mind to muscle connection, a strong athletic base and love for fitness.

YOGAKIDS

We introduce yoga to help your child develop a healthy body through balanced breathing, meditation, awareness and healthy body movements.

SOUL

EUROMUSIC

In collaboration with SING. PLAY. LOVE, this outcome-based program includes engaging songs, picture books, music videos, and other instructional support to teach young children important skills.

MINDFUL+

Mindfulness helps children focus on the present and is a great tool to develop self-regulation, manage emotions and improve concentration.
